

We work throughout Rutland with people over 50 and their carers, providing support, information and activities.

This work would not be possible without the support of our volunteers, partners and funders. We would like to take this opportunity to thank our volunteers and supporters in Rutland that have help us during 2021 in supporting older people in Rutland.

Many of our activities and services have now resumed as face to face but we recognise not every one is ready, so we are still offering telephone support through our befriender volunteers and also via online virtual activities.

Wishing all our volunteers, clients, supporters and people we work with, a happy and safe festive season.

Time in Nature

This year we have been running sessions at Rutland Water Nature Reserve funded through Dementia Adventure, which have been enjoyed by 32 people living with dementia and their partner or carer, they have included:-

- Spending time in a hide watch and discovering the wildlife at Rutland Water
- Enjoyed viewing the live webcam pictures of the Osprey chicks
- As the weather got cooler seasonal crafts with plenty of opportunity to check out the birds visiting the feeder's right outside the centre window.
